## Who we Are

**M**oran (E.A) Publishers Limited is committed to providing quality educational content that is relevant to the needs of East African learners and beyond. Our books are written by experienced authors and subject experts, and they are reviewed by a team of educational specialists to ensure that they meet the highest standards of quality. We have established ourselves as East Africa's leading publisher and have enriched our titles in virtually every genre as we extend our reach on the global platform.

Moran (E.A) Publishers occupies a distinctive strategic niche in the African publishing landscape by focusing on delivering high-quality educational materials tailored to the needs of local learners and educators. With a mission centered on enhancing teaching and learning outcomes, Moran (E.A) Publishers recognizes the importance of culturally relevant and context-specific content that resonates with our audience.

Our commitment to quality is evident in this extensive catalogue, which includes, Course books, supplementary materials, setbooks for various educational levels, and innovative digital resources. By prioritizing local course development and actively engaging with educational stakeholders, we ensure that we meet the evolving demands of the Kenyan education system and beyond.

To solidify our niche, Moran (E.A) Publishers employs a strategic approach that combines traditional publishing with modern digital initiatives, such as the Bongoshapp mobile application, which enhances accessibility and engagement with our rich literature. By embracing both print and digital formats, the company caters to a diverse readership, including young learners and educators seeking innovative learning tools. Furthermore, Moran (E.A) Publisher's strategic partnerships with educational institutions and organizations reinforce our role as a pillar in the publishing sector, allowing it to contribute significantly to the education landscape in Africa. This holistic approach not only positions Moran (E.A) Publishers as a pivotal player in driving educational advancements but also supports our long-term goal of becoming the leading publisher globally.

## Vision, Mission and Core Values

### Vision:

Cornerstone of Knowledge for Humanity.

### Mission:

Publishing Well-Researched Life-Long Educational Content.

**We commit ourselves to QATIC in all our undertakings:**

**Quality:** We are committed to publishing high-quality educational content that meet the needs of learners in Africa

**Accountability:** We believe that accountability is essential for success. By being accountable to our stakeholders, the company is able to build trust and credibility. This, in turn, allows Moran (E.A) Publishers to continue to provide high-quality products and services that meet the needs of our customers

**Teamwork:** We work closely with teachers, authors, and other stakeholders to ensure that the published educational content is relevant and meet the needs of learners.

**Integrity:** We are committed to being honest and fair. By being honest and ethical, the company is able to build trust and credibility. This, in turn, allows Moran (E.A) Publishers to continue to provide high-quality products and services that meet the needs of our customers.

**Customer Focus:** By putting the needs of our customers first, Moran (E.A) Publishers is able to build trust and loyalty. This, in turn, allows continuous growth and success.

# NOTES TO OUR CUSTOMERS

Moran (E.A.) Publishers 2026 Price-List provides you with information on a wide variety of important titles and products in our backlist. We recommend that you apply it as a roadmap to finding your preferred title, while you also sample the rich variety of books that Moran (E.A.) Publishers has to offer.

## Prices

The listed prices are our Recommended Retail Prices. They are effective from 1st January 2026 and are subject to 16% VAT. These prices may be altered without prior notice.

## Publishing

Suggestions for new publishing projects and submission of manuscripts by experienced as well as upcoming authors should be directed to the Publishing Manager.

## Trade Terms

For details regarding our trade terms, please contact our Customer Service department on [cs@moranpublishers.co.ke](mailto:cs@moranpublishers.co.ke) or +254 727 429755 including WhatsApp.

## Marketing Team

Our sales and marketing team is always at your service responding to all your book needs. Please do not hesitate to contact us on our indicated address and telephone lines.

## How to Order

You may purchase all the titles in this Price-List from any bookseller in Kenya as well as online through a Shopping Cart on our website: [www.moranpublishers.com](http://www.moranpublishers.com)

If your preferred bookseller has no immediate stock, they can obtain supplies from our Nairobi warehouse or regional distributors within a period of 24 Hours.

## Wall Maps and Globes

These wall maps and the globe are important teaching and learning tools for Social Studies. They provide a visual representation of countries, continents, oceans, and other geographical features such as latitudes and longitudes. They help learners to develop their map work skills.

# BRAINER READERS

FOR JUNIOR SCHOOL

APPROVED LITERARY TEXTS FOR GRADE 7 AND 8

The Brainer Readers are master literary revelations that are a must-have for a Junior School learner because they are:

- Approved by KICD
- Tailored for Junior School Learners
- Brainer Readers captivate young minds and encourage a lifelong love for literature.
- Promote Positive Values by developing Essential Life Skills
- Aligned with the competency-based curriculum, Brainer Readers supports the development of critical life skills like digital literacy for digital content provided in the Anthology
- Engaging and Interactive Learning through questions e.g. in the anthology
- Supporting Diverse Learning Styles e.g. auditory for the anthology.

## Stadi za Kiswahili Gredi ya 1 - 9

### Vitabu vya Stadi za Kiswahili:

- Vinakuza ustadi wa mwanafunzi wa Kiswahili kupitia kwa mbinu mwafaka za ujifunzaji,
- Vinafunza matumizi ya Kiswahili katika maisha halisi ya kila siku,
- Vinakuza weledi wa mwanafunzi wa kuwasiliana kwa Kiswahili sanifu,
- Vinatoa nafasi za kufanya tathmini za aina mbalimbali.

***Vitabu vya Stadi za Kiswahili ni suluhisho kamili!***

## Skills in English *Skills in English. Use It. Live It!* Grade 1 - 9

**Skills in English** coursebooks are meticulously designed and developed in line with the Rationalised Competency-Based Curriculum. They offer a unique approach that seamlessly cultivates essential skills, knowledge, values and attitudes necessary for mastering English as a learning area and as a means of communication.

The coursebooks:

- Automatically strengthens listening, speaking, reading and writing skills holistically
- Helps to build consistent progress through practice and application
- Builds learner's confidence in practical use of English
- Expands learner's vocabulary and improves accurate language use
- Supports assessment preparedness through numerous structured tasks
- Builds confidence in expressing ideas across different subjects in English
- Reinforces grammar naturally through meaningful use

## First Steps course books

*First Steps Series: Small steps today, giant leaps tomorrow.*

**First Steps** is a series of PP1 & PP2 coursebooks developed in line with the Rationalised Competency-Based Curriculum. The Coursebooks in this series include: PP1 & PP2 Language Activities, PP1 & PP2 Mathematical Activities, PP1 & PP2 Environmental Activities, PP1 & PP2 Creative Activities, PP1 & PP2 Shughuli za Lugha (Hatua za Kwanza). The books have the following features:

- Moran First Steps Series has exciting activities that transform natural curiosity into the foundational skills needed for learning readiness.
- Engage learners in age-appropriate fun activities as they learn.
- Minimal instructions required to guide the learners.

## Our Beginning Creative Activities/ Arts and Creative Arts and Sports

**Beginning Creative Activities for PP1 – Grade 3, Beginning Creative Arts for Grades 4-6 and Moran Creative Arts and Sports for Grades 7-9** are complete Rationalised Competency-Based Curriculum (CBC) coursebooks.

These series are designed to enhance the learner's practical skills in Arts and Sports. The learning activities enable learners to transform cognitive knowledge into meaningful performance or products. This series enhances holistic creative growth, teamwork and critical thinking skills.

*Unleashing creativity in every learner!*

### Moran Pre-Technical Studies Grade 7 – 9

**Moran Pre-Technical Studies** course-books are developed in line with the Rationalised Competency-Based Curriculum. They facilitate the development of the required knowledge, skills, competencies, values and attitudes presented in the Pre-Technical Studies Curriculum Design.

#### Key features of the series:

- Builds practical understanding of workshop tools, materials and simple technical processes for use in real-life contexts.
- Develops skills through hands-on practice, application and guided projects.
- Enables learners to design, measure and solve everyday problems with confidence.
- Transforms ideas into practical, well-executed solutions through creativity and critical thinking.

**Moran Pre-Technical Studies: Build skills, shape the future!**

### Moran Integrated Science

**Explore with curiosity, solve with creativity**

Moran Science and Technology (Grades 4, 5 and 6) and Moran Integrated Science (Grades 7, 8 and 9) coursebooks enable learners to develop scientific skills step by step, from simple observation to problem-solving.

They help learners to inquire, carry out experiments, think critically and apply scientific skills in everyday life. They enable learners to use creativity and innovation to solve real-life problems with confidence.

## APPROVED CBC TEACHING AND LEARNING RESOURCES

### Science Charts: Primary and Junior School

They provide a visual representation of complex scientific concepts, making them easier to understand and remember.

The science charts assist teachers and learners benefit greatly from visual aids. The charts can be used to spark discussions, encourage critical thinking, and foster a deeper understanding of scientific principles. The charts include:

#### UPPER PRIMARY SCIENCE AND TECHNOLOGY CHARTS

##### Volume 1

- Parts of a Plant
- Parts of a Flower
- A cross-section of a flower
- Functions of parts of a flower
- Types of Root Systems
- Fungi

##### Volume 2

- Human alimentary canal
- The Human Breathing System
- Human Circulatory System
- Types of Human teeth
- Examples of Vertebrates
- Examples of Invertebrates

#### JUNIOR SCHOOL INTEGRATED SCIENCE CHARTS

- The human heart
- Types of blood vessels and their functions
- The human urinary system
- Male reproductive system
- Female reproductive system
- Fertilisation and implantation
- Structure of the leaf
- Process of double fertilization in plants
- Structure of the cell
- Structure of the Atom
- Periodic Table of Elements

### Wall Maps and Globe:

Moran Wall Maps and the Moran Globe enable the learner, teacher and travel enthusiast to navigate the world at a glance. They enable them to know the location and position of places and features as they are important visual aids.
